Welcome to the UCT Epic Job Expo, a celebration of talent, opportunity, and the power of possibility. This event proudly reflects the University of Cape Town's commitment to empowering our students and graduates with the tools, insights, and confidence to navigate and shape their career journeys in an ever-evolving world.

The Epic Job Expo is more than a career fair, it's a dynamic launchpad where ambition meets opportunity, where meaningful connections are forged between emerging talent and forward-thinking organisations, and where tomorrow's leaders take their first bold steps.

To our students and graduates: Embrace this moment with curiosity, courage, and an open mind. Engage fully, ask questions, explore boldly and believe in the unique value you bring to every conversation.

To our valued employer partners: Thank you for your continued investment in UCT's diverse and dynamic talent pool. Your presence today plays a pivotal role in expanding horizons, opening doors, and shaping the future of work in South Africa and beyond.

We're delighted to have you with us for this landmark event. Let's make it truly epic!

**MONOCLE**

**David Buckham**  
CEO Monocle Solutions

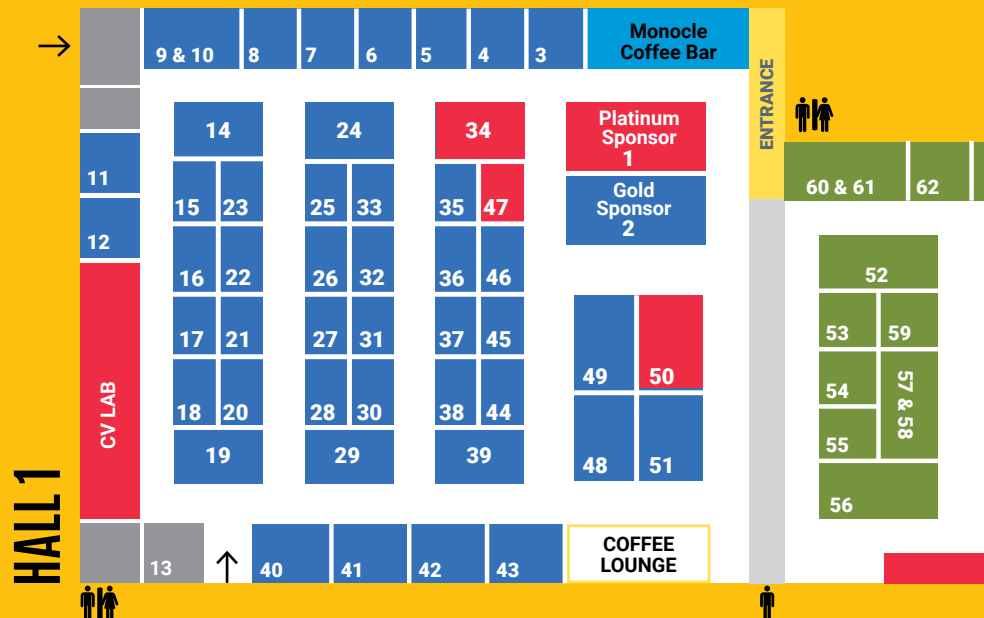

Welcome all to the 2025 Epic Job Expo at UCT. We at Monocle are extremely proud to be the platinum sponsor of this incredible event and to partner with UCT in showcasing the many opportunities that lie ahead for the young, dynamic future professionals attending the Expo today.

Monocle is a management consultancy that strives for excellence in all we do. This commitment is made possible by our outstanding people, who combine intelligence and empathy with an enduring passion for learning. These qualities unite us as a company and enable us to deliver exceptional results for our clients.

We believe UCT students exemplify these qualities, and we look forward to meeting you at this remarkable event.

# Making the most of this Job Expo

## 1

### Present your best self

- Be polite
- Be confident
- Make eye contact & speak clearly
- Keep your phone on silent

## 2

### Be open

- Do not rule out an employer because of the industry they represent
- A bank, for example, can provide opportunities in marketing, technology and HR – in addition to finance

## 3

### Ask questions

- Ask about the work, business, culture and potential opportunities
- Leave discussions about salary and benefits for the job offer stage

## 4

### Follow up

- Make notes
- If someone gives you their card, use the invitation to contact them
- Connect on LinkedIn with people you meet and follow companies of interest
- Apply to the company or submit any documents requested, such as a CV and cover letter

### Questions to ask:

- ✓ What roles do you have for graduates in your organisation?
- ✓ Do you take on interns? How would I apply?
- ✓ Do you have a graduate programme? How would I apply?
- ✓ How would you describe your company culture?
- ✓ What advice would you give me as a X-year student thinking of joining your company/this sector?
- ✓ What do you think makes a candidate stand out?
- ✓ What qualifications/skills are you looking for?
- ✓ What sort of experience would you like graduates to have?
- ✓ How will I be developed if I come in as a graduate?
- ✓ Why did you choose this company/role?
- ✓ What do you enjoy about working for this organisation?
- ✓ What do you wish you could have known when you were job hunting as a graduate?
